No.	Variable depending on availability of hosts,	Scheme operates entirely on the goodwill and generosity of hosts. Hosts are members of the public, living in normal domestic housing. They have been trained and vetted by Hope at Home but do not have specialist knowledge of the issues facing our guests. Some may also have children in their homes. For these reasons it is not possible for us to accept all referrals. It is vital that we do not knowingly put hosts or their household members at risk. Therefore, please ensure you complete as much detail as possible on the referral form as this forms part of our safeguarding and risk assessment processes. We are not an emergency accommodation provider and aim to respond to referrals within 72 hours. If you have a specific time limit please make this clear on the referral form.
